

UCLA Endocrine Grand Rounds

March 13, 2024 at 12:00 PM – 1:00 PM

UCLA Ronald Reagan Medical Center

UCLA Endocrine Grand Rounds - 3/13/2024

Overview

UCLA Endocrine Grand Rounds is a comprehensive series that places a significant emphasis on deepening the understanding of endocrine disorders. It aims to not only increase the knowledge base of these complex disorders but also to improve the practical skills needed to assess and manage these conditions effectively. It keeps clinical faculty and staff updated with the latest research advances, ensuring they are at the forefront of endocrine disease management.

Objective(s): 1 Explain the physiology and pathophysiology of endocrine disorders 2 Effectively assess and manage patients with endocrine disorders 3 Describe new advances in research impacting our care of patients with endocrine disorders 4 Discuss public health issues related to endocrine disease

Location: UCLA Ronald Reagan Medical Center

Specialties: Internal Medicine, Endocrinology, Diabetes and Metabolism

Faculty Disclosures:

Paul B Kaplowitz, MD, PhD (Nothing to disclose - 03/12/2024)
