

Ashe Student Health Center CME

September 20, 2024 at 9:00 AM – 11:00 AM

Live In-Person

Diversity Without Divisiveness

Overview

Our series aims to update physicians and advance practice providers on clinical guidelines and recent research relevant to the college student population in order to provide quality, state of the art healthcare to support UCLA students.

Objective(s): 1 identify and address behaviors among college students that can lead to adverse events. 2 recite and apply the most recent clinical guidelines on diseases commonly encountered in the college student population. 3 identify the best approach to diagnose and treat diseases and other conditions unique to college students. 4 identify the effects of social determinants of health in driving health disparities for the college health population. 5 identify behaviors that may increase culturally competent and evidence-based care marginalized groups.

Location: Live Virtual

Specialties: Family Medicine, Internal Medicine, Adolescent Medicine, General Family Medicine, Sports Medicine, Adolescent Medicine, General Internal Medicine, Sports Medicine

Faculty Disclosures:

Carlos Hoyt, PhD (Nothing to disclose - 09/05/2024)
