UCLA David Geffen School of Medicine

Child and Adolescent Psychiatry

December 9, 2026 at 9:00 AM – 10:00 AM

Live In-Person/ Live Virtual

Child and Adolescent Psychiatry Grand Rounds

Overview

The Child Grand Rounds didactic aims to provide an overview of various evidence-based collaborative models of care focused on child and adolescent mental health, and utilizing health information technologies. The goal is to broaden and deepen participants awareness of specific challenges and promise that health information technology has brought to the field of child and adolescent mental health care. Ultimately, by closing these gaps in knowledge and competence, I hope participants will leave being able to identify practical ways to improve their use of health information technology to more effective practice collaborative care. Addressing increase on knowledge in all four gaps areas including assessments, clinical care, professionalism and Cultural considerations, Justice, Equity, Diversity and Inclusion
