

**UCLA**

**David Geffen School of Medicine**

# What's New in Wound Care and Limb Salvage?

**Saturday, September 14, 2024**

***A Hybrid Course***

**Rosenfeld Hall at CASIT  
Los Angeles, CA 90095**

## Course Description

The Wound Care Symposium is scheduled to be a one-day program that will be held at a designated facility. The program will be held in-person and virtual. The multi-disciplinary faculty members of the program will all be in person. The intended audience will include but are not limited to any providers and staff who treat wounds of all types. There will be invited vendors who will be providing viewing stations for wound products.

## Course Objectives

At the completion of this program, participants should be better able to:

- Recall different etiologies of wounds
- Describe principle of wound healing
- Identify alternate wound treatment options
- Recognize various diagnostic modalities of wound and infection
- Indicate the role of consulting to different specialties

## Target Audience

This course is designed for Vascular Surgeons, Podiatric Surgeons, Orthopedic Surgeons, Plastic Surgeons, Infections Disease, Dermatologists, Interventional Radiologists, Radiologists, Nurses, Physical Therapists, Geriatrics, Primary Care Providers

# Faculty

## COURSE DIRECTORS

### **Steven Farley, MD**

Hs Clinical Professor, Surgery

### **Vincent Rowe, MD**

Chief of Vascular

## COURSE CO-CHAIRS

### **Juan Carlos Jimenez, MD**

Vascular Surgery

Gonda Vascular Surgery

### **Jessica O'Connell, MD**

Director of the Surgical & Perioperative  
Careline and Chief of Surgery at the VA  
Greater Los Angeles Healthcare System

### **Aksone Nouvong, DPM**

Podiatry

Vascular Surgery

Gonda Vascular Surgery

## DAVID GEFEN SCHOOL OF MEDICINE AT UCLA

### **David J. Aungst, DPM**

HS Assistant Clinical Professor, Surgery  
DGSOM

### **Warren Chow, MD**

Vascular Surgery

### **Hilary Coller, PhD**

Director, Molecular Biology Institute

### **Erin Cook, MD**

Geriatric Medicine

### **Andrew J. Vardanian, MD**

Plastic Surgery

### **Thomas Le, MD**

Hs Associate Clinical Professor, Radiological  
Sciences

### **Christopher Lee, MD**

Orthopedic Trauma Surgery

### **Benjamin D. Levine, MD**

Diagnostic Radiology

### **Richard K. Leuchter, MD**

Internal Medicine

### **Ashley Miller, MD**

### **Sanjog S. Pangarkar, MD**

Hs Clinical Professor, Medicine

### **Ioana Popescu, MD**

### **John C. Rollo, MD**

Vascular Surgery

Gonda Vascular Surgery

### **Darin Saltzman, MD**

### **Philip Scumpia, MD**

Associate Professor-in-Residence, Medicine

### **Thanuttha Tiensawang MSN, RN, CNS, GNP, CWON-AP**

Specialty: Wound Ostomy Continence  
Nursing

### **Jesus Ulloa, MD, MBA, MS**

Vascular Surgery

Gonda Vascular Surgery

## GUEST FACULTY

### **Ketan M. Patel, MD**

Plastic and Reconstructive Surgery  
Cedars- Sinai Medical Center

|----------------------------|---|
| 6:30 am                    | Registration  |
| 7:00 am – 7:45 am          | Breakfast   |
| 7:45 am – 8:00 am          | Welcome remarks: (Drs. Vincent Rowe and Steven Farley)                    |
| <hr/>                      |   |
| <b>8:00 am – 9:30 am</b>   | <b>Session 1 (Moderator: Steven Farley, MD)</b>                           |
| 8:00 am – 8:15 am          | “When should I consider HBOT?” (Jesus Ulloa, MD)                          |
| 8:15 am – 8:30 am          | “What’s new in venous ulcer treatment?” (Jonathon Rollo, MD)              |
| 8:30 am – 8:45 am          | “When to opt for biologics?” (Juan C. Jimenez, MD)                        |
| 8:45 am – 9:00 am          | “Medical optimization for wound healing” (Erin Cook, MD)                  |
| 9:00 am – 9:15 am          | “Can we send patients home with that infection?” (Richard Leuchter, MD)   |
| 9:15 am – 9:30 am          | “When should I call my plastic surgeon?” (Andrew Vardanian, MD)           |
| 9:30 am – 9:45 am          | Q&A   |
| <b>9:45 am – 10:00 am</b>  | <b>Break</b>  |
| <hr/>                      |   |
| <b>10:00 am – 12:00 am</b> | <b>Session 2 (Moderator: Jessica O’Connell, MD)</b>                       |
| 10:00 am – 10:15 am        | “What’s the hype about pedal acceleration exam?” (Thomas Le, MD)          |
| 10:15 am – 10:30 am        | “How much flow is really needed to heal those toes” (Stephen Farley, MD)  |
| 10:30 am – 10:45 am        | “The Pathophysiology of Ischemia-Reperfusion Injury” (Darin Saltzman, MD) |
| 10:45 am – 11:00 am        | “The difficult post fracture wounds” (Christopher Lee, MD)                |
| 11:00 am – 11:15 am        | “Off-loading those difficult plantar wounds” (Ashley Miller, MD)          |
| 11:15 am – 11:30 am        | “What’s deep venous arterialization (DVA)?” (Warren Chow, MD)             |
| 11:30 am                   | Q&A   |

# Program

**12:00 pm – 1:00 pm Lunch**

---

**1:00 pm – 2:30 pm Session 3 (Moderator: Juan Carlos Jimenez)**

1:00 pm – 1:15 pm “Atypical causes of wounds” (Phillip Scumpia, MD)

1:15 pm – 1:30 pm “The not so basic basic-science of wound healing”  
(Hilary Coller, MD)

1:30 pm – 1:45 pm “Are x-rays enough to diagnose osteo?”  
(Benjamin Levin, MD)

1:45 pm – 2:00 pm “Anything new in the treatment of infected wounds  
and OM” (Tara Vijayan, MD)

2:00 pm – 2:15 pm “The challenges of Charcot” (David Aungst, MD)

2:15 pm

**2:30 pm – 2:45 pm Break**

---

**2:45 pm – 4:00 pm Session 4 (Moderator: Aksone Nouvong, DPM)**

2:45 pm – 3:00 pm “What can we do with all that swelling?”  
(Alexis Rheinwald-Jones, NP)

3:00 pm – 3:15 pm “When to consider surgical options for all that  
swelling” (Ketan Patel, MD)

3:15 pm – 3:30 pm “What’s the latest and greatest wound dressings  
today?” (Thanuttha Tiensawang, MD)

3:30 pm – 3:45 pm “When the wound hurts too much”  
(Sanjog Pangarkar, MD)

3:45 pm – 4:00 pm “Disparity in Diabetic Lower Extremity Wounds”  
(Ioana Popescu, MD)

4:00 pm Closing remarks: (Drs. Rowe and Farley)

# General Information

## Fees

Physicians: \$250

Allied Health Professionals: \$150

Fellows/Medical Students: \$30

## Refunds

No refunds will be granted for this course due to the low enrollment fee. A full refund will be provided if, for any reason, the course must be canceled or rescheduled.

## Enrollment

### Online

We accept Visa, MasterCard, American Express, and Discover credit cards. To register using a credit card or ACH/electronic transfer, please visit <https://ucla.cloud-cme.com/WCLS24>

\*Credit card and check payments via phone, fax, or mail are no longer accepted.

## Program Location

CASIT

700 Westwood Plaza

Los Angeles, California 90095

## Directions and Parking

From the 405 freeway, exit Wilshire Blvd., East toward Westwood. Turn left on Westwood Blvd., travel past Charles E. Young Dr. South and turn left onto Structure 8 driveway. Drive up the ramp to the rooftop level to park. Pay per license plate at the kiosk. All day self-parking is \$15.00.

## Course Recording

All registrants (live or virtual) will be provided the opportunity to review recorded sessions up to 3 weeks following the conference.

The recorded sessions are not approved for Continuing Education (CE) credit.

## Accreditation

The David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The David Geffen School of Medicine at UCLA designates this live activity for a maximum of 7.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved for the *AMA PRA Category 1 Credits™* as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

## Disclosure Statement

The FDA has issued a concept paper which classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that nonpromotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manages all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.
